THE ORACLE INSTITUTE

Where Conscious Evolution Fuels Sacred Activism

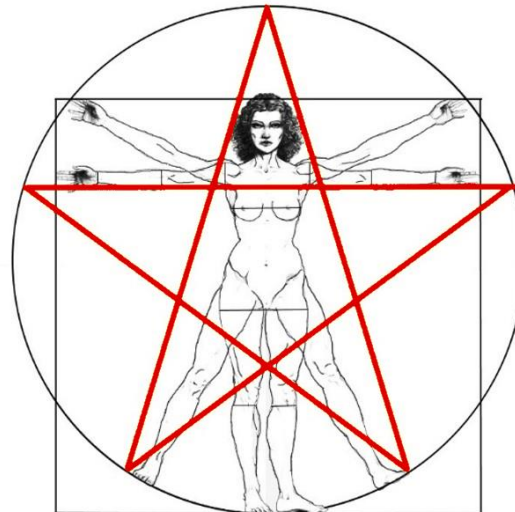

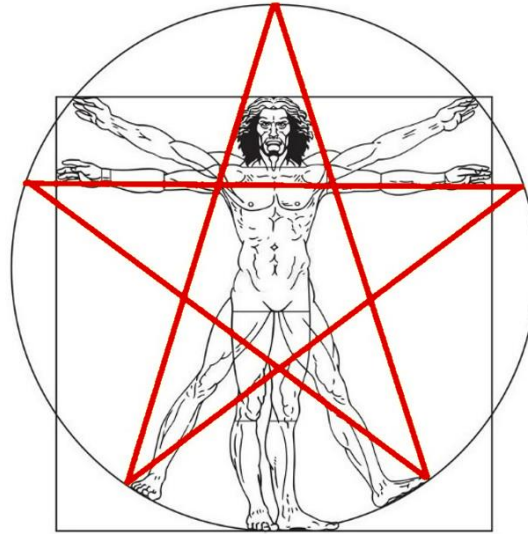

Oracle is a Spiritual Think Tank and a 501(c)(3) educational charity, building a New World based on Social Justice, Interfaith Unity, and a Culture of Peace.

- We study the nexus between Religion, Politics, Civil Rights, and Human Evolution, and our formal mission statement is Virginia's *Act for Religious Freedom*.
- We protect and defend the founding principles of the United States of America by hosting **Pluralistic Programs** and anchoring **Progressive Values**.
- We believe Science & Spirituality are merging into **Holistic Systems Theory**, and that humanity is undergoing a major paradigm shift that will herald a New Era.
- We predict that during this **Fifth Spiritual Paradigm**, the Godhead will become integrated and rebalanced with Divine Masculine AND Divine Feminine energies.
- Our charity operates: (i) spirituality school; (ii) award-winning publishing house; and (iii) global peace practice. All our programs foster **Conscious Evolution**.

The KEY to the Shift: Law of Gender

Two Ancient Paths to Personal Peace & Enlightenment: Hermeticism & Gnostic Kabbalah

ORACLE TEMPLE

An Esoteric Church in the Valley of Light

*When you make the Two into One,
and when you make the Inner like the Outer
and the Upper like the Lower,
and when you make the Male and Female into a single One,
so that the Male will not be male nor the Female be female ...
then you enter the Kingdom.*

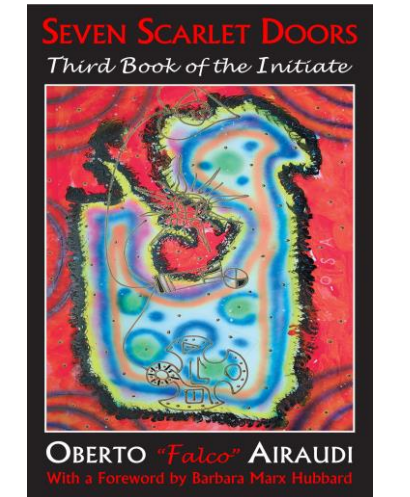

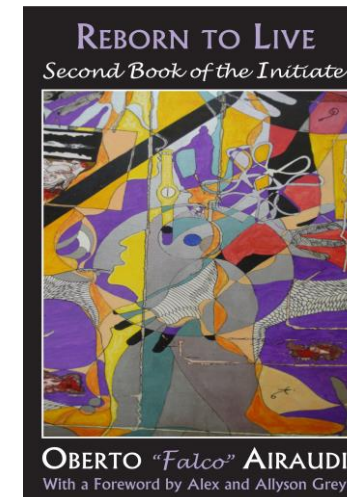

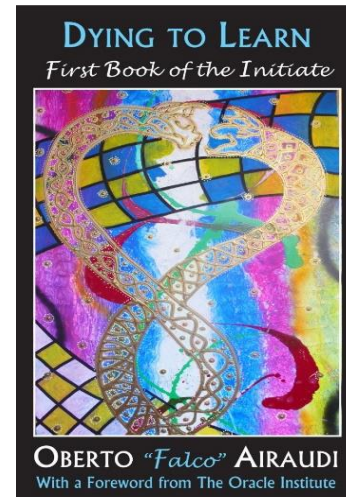

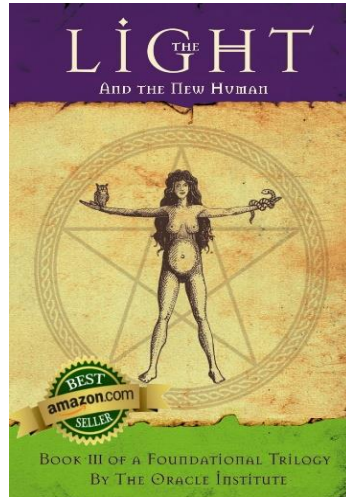

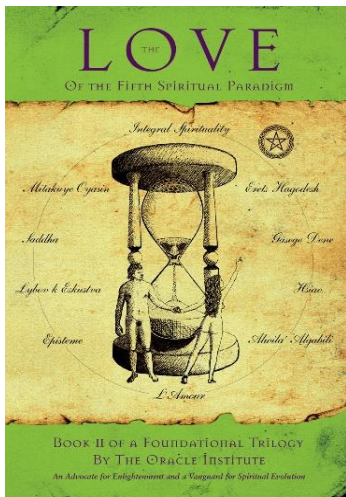

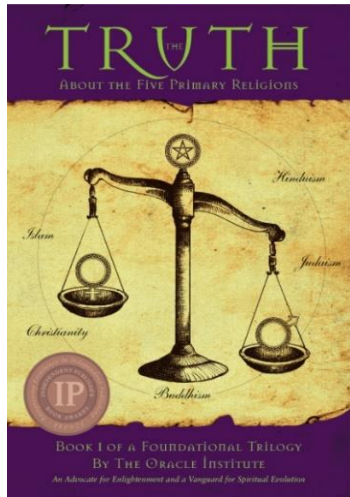

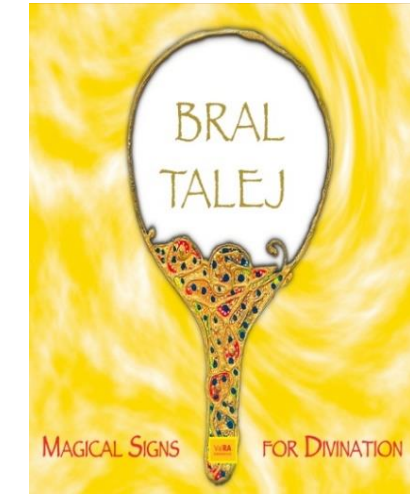

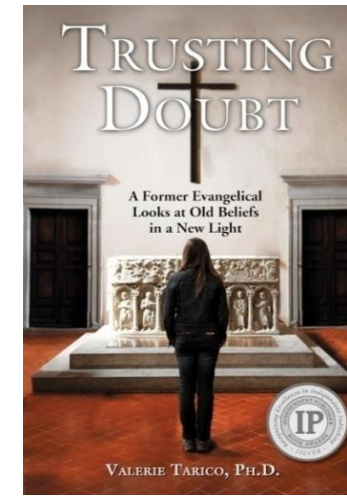

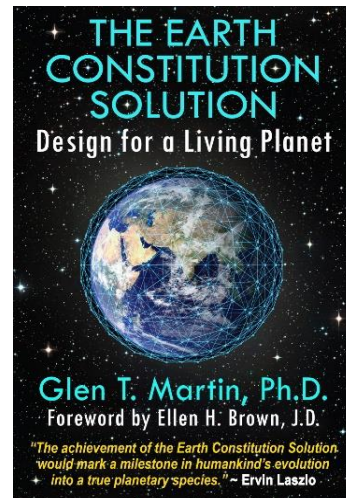

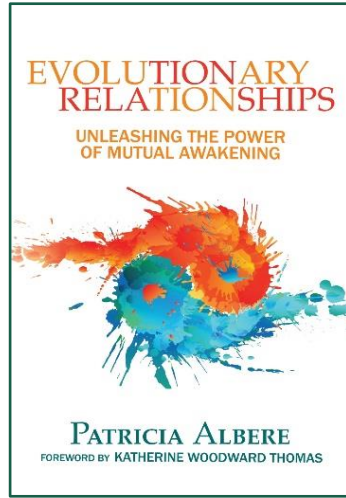

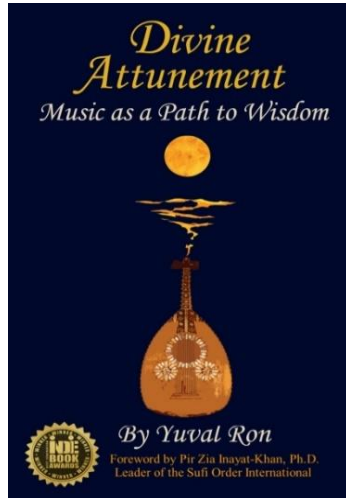

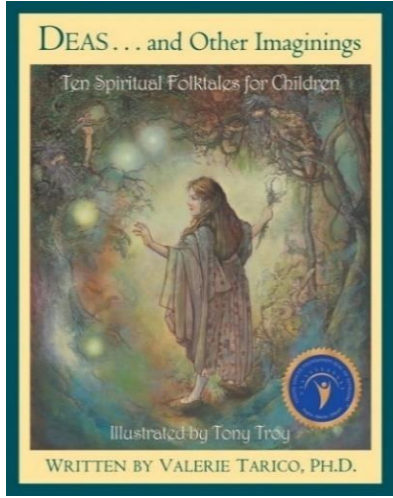

~ Jesus, Gospel of Thomas

- **Humanity is entering the Fifth Spiritual Paradigm:** The Godhead is shifting to a genderful/genderless view of deity. New Humans view God as: **Energy * Unity * Consciousness * Truth * Love * LIGHT!** (Law of Mentalism in Hermeticism).
- **Oracle Temple worships the Divine Masculine & Divine Feminine:** As a Second Tier expression of **Hieros Gamos**, we see the magic of sacred union and the need for gender-equality and female bodily autonomy (Law of Gender).
- **Oracle Temple endorses Nature Mysticism:** As a Second Tier expression of **Paganism**, we see the grounded seasons of the Earth Plane as a reflection of the groundless cycles of the Ethereal Plane (Laws of Rhythm and Correspondence).
- **And we encourage EVERYONE to practice Mindfulness:** **Good Thoughts + Good Words + Good Deeds =** elevated karma, reduced polarity, and stronger interpersonal connections (Laws of Cause and Effect, Polarity, and Vibration).

The MAGIC of Sacred Sites & Sacred Geometry

- New River is the oldest river in the Western Hemisphere
- Peace Pentagon is dedicated to the Fifth Spiritual Paradigm
- Exterior walls = 55 feet long (5' x 11') – like Washington Monument!
- Interior Temple walls = 25 feet long (5' x 5')
- Pentacle contains the Golden Ratio = $(1 + \sqrt{5}) / 2 = 1.618,033,988,749 \dots$
- Golden Ratio is found in the quotient of the Fibonacci Sequence
- Golden Ratio & Fibonacci Sequence are infinite numbers (like Pi)
- Fractals & Torus are based on the Golden Ratio
- Mandelbrot Set & Harris Spiral (right) are based on Golden Ratio too!

More “New Humans” are arriving Every Day!

“What I find explains best to me the reason that people in (Stage 7) behave so much better quantitatively and qualitatively ... is this:
They simply are not afraid.

- They are not afraid of not finding food (Stage 1)
- They are not afraid that they’re not going to have shelter (Stage 2)
- They are not afraid of predatory man (Stage 3)
- They are not afraid of God (Stage 4)
- They are not afraid of not having status or not making it on their own in this world (Stage 5)
- They are not afraid of social rejection (Stage 6)

You’ve got a human being who isn’t afraid.”

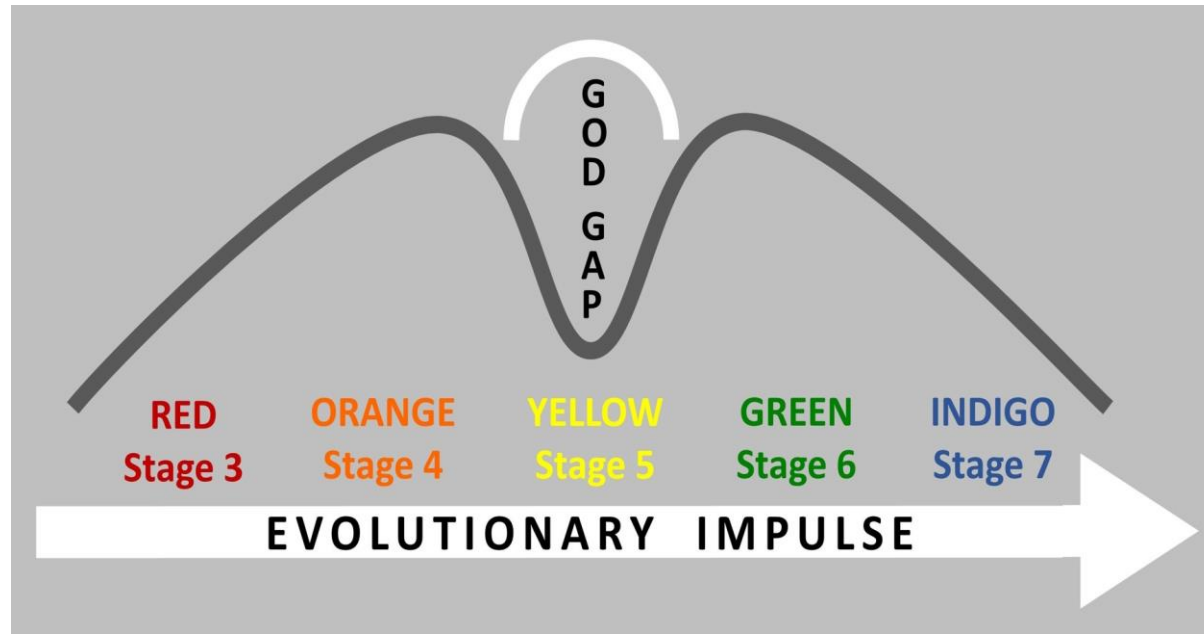

~ Clare Graves, PhD
Grandfather of Spiral Dynamics

Old Humans fuel the Great Cusp & God Gap

“Right now humanity is in a desperate race between the 70% that remain at ethnocentric or lower levels, and the 30% or so at worldcentric and higher levels. ... I also, seriously, give that race a fifty-fifty chance of coming out in our favor.”

~ Ken Wilber
The Religion of Tomorrow

“A great chasm exists between those wedded to the past and those yearning for more mature belief systems, a schism we call the ‘God Gap.’ ... We live on a dual and polarized planet alongside souls who inhabit a vast array of consciousness – *everything from barbarians to buddhas.*”

~ Laura George
The Light : And the New Human

Peace Pentagon Faith & Fury Campaign

- Oracle Temple is part of the Virginia Abortion Network: Our campus is surrounded by states where abortion is banned or heavily restricted. We've started an Abortion Fund and we are prepared to claim "Sanctuary Status" at our campus.
- Oracle Temple is active in the Virginia Pro-Choice Coalition: We are fighting an "Unborn Sanctuary" ordinance recently introduced by the Federalist Society and Texas Right to Life in Grayson County, Virginia.
- Oracle Temple is part of an Interfaith Alliance: Churches are filing lawsuits under the 1st Amendment (religious freedom); whereas Roe was decided under the 14th Amendment (privacy). OUR GOAL: Repeal ALL state abortion statutes.
