Claims Army Is Stacking Courts Martial

Indiana Senator
Lays Protest
Before Patterson

Washington, July 8 (AP)—Senator Jenner (R-Ind.) contended today that "the high command in the European theatre is stacking courts against defendants in court martial."

In a letter to Secretary of War Patterson demanding a full investigation of army military trial procedure, Jenner offered what he said was documentary proof that:

1. "Prisoners are not being permitted to employ either civilian or military counsel of their own choice in the preparation and presentation of their defense."

2. "Every effort is being made to prevent attorneys who were connected with the infamous Lichfield prison case to practice in courts martial in the European theatre."

The Indiana senator made public a copy of an informal "routing slip" which he said was signed by Brig. Gen. Cornelius E. Ryan, assistant deputy, military government headquarters for the military government for Germany, and written by Col. Francis H. Venderwerker. Jenner told newsmen that the routing slip substantiated his charges.

The slip, addressed to the chief of staff, USFET (presumably US forces, European theatre), was dated last Oct. 23.

House Passes Tax Slash by Large Margin

Defeat Amendment
By Demos to Remove
Many from Rolls

Washington, July 8 (AP)—The house passed today the Republican-backed bill to cut income taxes by \$4,000,000,000 annually for 49,000,000 taxpayers, beginning Jan. 1.

It goes to the senate where approval also is forecast.

The vote was 362 to 11, or more than the two-thirds majority needed to override a presidential veto.

The action, which may encounter another presidential veto, came after Speaker Martin (R-Mass.) personally appeal to the house to pass the bill by such a decisive vote—as to persuade the president that the people should have this delayed justice.

The measure is identical with one passed by President Truman

Security Council Paves Way to Talks On Arms Reductions

Lake Success, July 8 (AP)—The United Nations security council today approved an American blueprint for arms reduction discussions despite a Russian warning that the plan would bring about a collapse of arms regulation efforts.

The vote was 9 to 0, with Russian and Poland abstaining.

In view of Russia's firm stand against the U. S. plan it had been believed she might invoke the big power veto to block it.

Soviet Deputy Foreign Minister Andrei A. Gromyko gave his warning before the United Nations security council in a new effort to revive the Soviet working plan which already had been rejected by the commission for conventional armaments.

His challenge was taken up promptly by French delegate Alexandre Parodi and U. S. Representative Herschel V. Johnson, who announced their opposition to any substitute for the American plan.

The intelligence office of the 509th Bombardment group at Roswell Army Air Field announced at noon today, that the field has come into possession of a flying saucer.

According to information released by the department, over authority of Maj. J. A. Marcel, intelligence officer, the disk was recovered on a ranch in the Roswell vicinity, after an unidentified rancher had notified Sheriff Geo. Wilcox, here, that he had found the instrument on his premises.

Major Marcel and a detail from his department went to the ranch and recovered the disk. It was stated.

After the intelligence office here had inspected the instrument it was flown to "higher headquar-

In 1978 after a base officer in retirement went public, more eyewitnesses were willing to come forth

CIA “Agent Kemper” did an anonymous radio interview on a meeting he attended on Roswell and other UFO sightings for Pres. Eisenhower, VP Nixon, and FBI Dir. Hoover. The President had said “We have to keep this thing completely secret.”

Shortly after that he was on his way to the grocery store when he was approached by two men in black suits who came out of a black Lincoln Town Car who told him not to say or publish anything.
